CLEAR FORM

Work Project Statement
For use with PLS Exam Application
Iowa Engineering and Land Surveying Examining Board

Directions:

- Use the tab key or your computer mouse to move from item to item.
- You may complete the form online. There is a 2000 character limit for questions 9, 10, 11 & 12. The form will accommodate as much text as your answers require.
- When complete, print, sign and return this form with your application.

The most common reason project statements are rejected is because they do not comply with the requirements of Iowa Administrative Code 481—1049.1(6). Please read carefully to ensure your project statement meets the requirements.

1049.1(6) Work project description. A complete application includes a statement of approximately 200 words describing a significant project on which the applicant worked closely during the last 12 months. The statement describes the applicant's degree of responsibility for the project and identifies the project's owner and its location. The statement is signed and dated. The criteria the board uses in evaluating the acceptability of the project as qualifying experience for the applicant includes, but is not limited to, the following:

a. The degree to which the project and the experience described has progressed from assignments typical of initial assignments to those more nearly expected of a licensed professional;
b. The scope and quality of the professional tutelage experienced by the applicant;
c. The technical decisions required of the applicant in the project; and
d. The professional decisions required of the applicant.
The board reserves the right to contact the employer and the person providing tutelage on the project for information about the project experience presented to the applicant.

1. Your name: _____

2. Project description:

3. Date project completed (must be within the last 12 months): _____

4. Project Owner: _____
