

be considered by the Board in determining the nature and severity of any disciplinary action to be imposed in the event of any future violations. In addition, the Board shall advise the National Council for Examiners of Engineering and Surveying of the disposition of this matter.

7. This Order and the Statement of Charges are public records available for inspection and copying in accordance with the requirements of Iowa Code chapter 22 (1997).

8. Failure to comply with the provisions of this Order shall be considered prima facie evidence of a violation of Iowa Code section 542B.21(3) (1997) and 193C IAC 4.2, and shall be grounds for disciplinary action pursuant to Iowa Code section 272C.3(2)(a) (1997). However, no action may be taken against Respondent for violations of these provisions without a hearing as provided in Iowa Code section 542B.22, or waiver of hearing.

9. This Agreement is subject to approval of the Board:

(a) If the Board fails to approve this Agreement, it shall be of no force or effect on either party, and it shall not be admissible for any purpose in further proceedings in this matter.

(b) If the Board approves this Agreement, it shall fully dispose of all issues in this case.

IT IS THEREFORE ORDERED:

A. Reprimand

The Respondent is reprimanded for practicing professional engineering in Iowa while his license was lapsed, and falsely representing himself to be properly licensed when certifying an engineering document.

B. Civil Penalty

Respondent shall pay a civil penalty of seven hundred fifty dollars (\$750.00) to the Board by January 15, 1999.

C. Remedial Action

1. Respondent shall, by January 15, 1999, provide the Board a complete list of all engineering documents he certified in Iowa from January 1, 1993 until his license was reinstated on February 27, 1998.

2. Respondent shall, by March 15, 1999, re-certify, at his expense, all engineering documents which he certified while his license was lapsed, and shall file an affidavit verifying his compliance with this provision.

3. Respondent shall, in the future, adhere to all statutes and administrative rules, including all rules of professional conduct, in the practice of professional engineering, and shall not offer to engage in the practice of professional engineering or practice professional engineering in Iowa unless properly licensed to do so.

)	CASE NO. 97-20
SCOTT ALLEN STANGELAND)	
8426 Morgan Lane)	STATEMENT OF CHARGES
Eden Prairie, MN 55347)	

COMES NOW the Complainant, Gleen Coates, and states:

1. The Complainant is the Executive Secretary of the Iowa Engineering and Land Surveying Examining Board and files these charges solely in her official capacity.
2. The Board has jurisdiction of this matter pursuant to Iowa Code chapters 17A, 272C and 542B (1997).
3. On August 4, 1991, the Board issued the Respondent, Iowa professional engineering license number 12178.
4. Respondent's professional engineering license lapsed on December 31, 1992.

Count I

Respondent is charged with practicing professional engineering, including the certification of one or more engineering documents, while his license was lapsed in violation of Iowa Code sections 272C.10(3), 542B.16, 542B.21(3)(1997), and 193C IAC 1.30 and 4.8(5).

Circumstances

1. Respondent certified engineering documents, which failed to disclose the

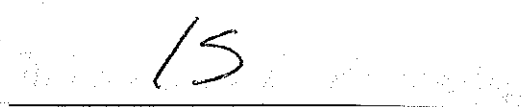

expiration date of his license and falsely stated he was duly registered in the state of Iowa.

WHEREFORE, the Complainant prays that a hearing be held in this matter and that the Board take such action as it deems appropriate under the law.

Gleen Coates, Executive Secretary

FINDING OF PROBABLE CAUSE
