Respondent

Case No. 04-12

**SETTLEMENT AGREEMENT
AND CONSENT ORDER**

The Iowa Architectural Examining Board (Board) and Greg Sundberg (Respondent) enter into this Settlement Agreement and Consent Order (Order), pursuant to Iowa Code section 17A.10 (2003) and 193 IAC 7.4:

1. The Board has jurisdiction of this matter pursuant to Iowa Code chapters 17A, 544A, and 272C (2001, 2003).

2. Respondent is a registered architect in the state of Iowa. His registration lapsed on June 30, 2003, based upon failure to document in a timely fashion his professional duties rather than any lapse or deficiency in the performance of professional services by Respondent. Respondent agrees he performed architectural services in Iowa after his registration lapsed on such basis. Respondent reinstated his lapsed on registration on July 6, 2004.

3. Respondent has allowed his architecture registration to lapse on at least one other occasion for failure to document in a timely fashion his professional duties rather than any lapse or deficiency in the performance of professional services by Respondent. The board's minutes reflect that the board required the Respondent to pass Division C of the Architecture Registration Examination and complete 40 hours of continuing education prior to reinstating his registration in 1995.

4. A statement of charge will be filed simultaneously with this Consent Order.

5. Respondent has a right to a hearing on the charges, but waives his right to hearing and all attendant rights by freely and voluntarily entering into this Agreement. The Consent Order is the final agency order in the contested case.

6. This Agreement shall be part of the permanent record of Respondent and shall be considered by the Board in determining the nature and severity of any disciplinary action to be imposed in the event of any future violations.

7. This Agreement and the Statement of Charges are public records available for inspection and copying in accordance with the requirements of Iowa Code chapter 22 (2003).

8. Failure to comply with the provisions of this Agreement shall be grounds for disciplinary action pursuant to Iowa Code section 272C.3(2)(a) (2003). However, no action may be taken against Respondent for violations of these provisions without a hearing, or waiver of hearing.

9. This Agreement is subject to approval of the Board:

(a) If the Board fails to approve this Agreement, it shall be of no force or effect on either party, and it shall not be admissible for any purpose in further proceedings in this matter.

(b) If the Board approves this Agreement, it shall fully dispose of all issues in this case.

IT IS THEREFORE ORDERED:

A. Reprimand

Respondent is reprimanded for practicing architecture with a lapsed registration.

B. Civil Penalty

Respondent shall pay a \$1000.00 civil penalty no later than October 31, 2004.

C. Remedial Orders

(1) By October 15, 2004, Respondent shall send an affidavit to the board listing all Iowa projects and his involvement with each project from July 1, 2003 to July 6, 2004.

(2) Respondent shall mail written notice to all clients for whom he performed architectural services in the state of Iowa on and after July 1, 2003 to July 6, 2004. The notice shall advise the client that Respondent's registration was lapsed when the services were provided. Copies of the letters shall be submitted to the Board no later than November 15, 2004.

(3) Respondent shall recertify and reseal, as applicable, all documents certified or sealed while his registration has expired. Respondent shall provide proof of compliance no later than January 1, 2005.

(4) Respondent shall complete the NCARB Monograph "Professional Conduct." Evidence of completion of the 10-hour course shall be submitted to the board no later than December 31, 2004. The hours earned shall not apply toward the continuing education requirements needed to renew June 30, 2005.

D. Future Compliance

Respondent shall in the future adhere to all statutes and administrative rules in the practice of architecture.
