

9. This Order is a public record available for inspection and copying in accordance with the requirements of Iowa Code chapter 22 (2015).

10. Failure to comply with the provisions of this Order shall be grounds for further disciplinary action pursuant to Iowa Code section 272C.3(2)(a) (2015). However, no action may be taken against Respondent for violations of these provisions without a hearing, or waiver of hearing.

11. This Order is subject to approval of the Board: (a) If the Board fails to approve this Order, it shall be of no force or effect on either party, and it shall not be admissible for any purpose in further proceedings in this matter. (b) If the Board approves this Order, it shall fully dispose of all issues in this case.

**IT IS THEREFORE ORDERED:**

**A. Reprimand.**

Respondent is reprimanded for practicing engineering with a lapsed license.

**B. Civil Penalty.**

Respondent shall pay the sum of \$500.00 in civil penalties to the Board (made payable to the State of Iowa) no later than 20 calendar days following the date the Order is signed by all parties.

**C. Remedial Action.**

(1) Within sixty (60) days from the date the Board approves the signed Order, Respondent shall mail written notice to all clients for whom he performed engineering services in the state of Iowa on and after January 1, 2016 through present, and to all governmental bodies to whom sealed technical submissions were submitted on and after January 1, 2016 through present. The notice shall advise the client that Respondent's license was lapsed when the services were provided. Copies of the letters shall be submitted to the Board within 5 days of mailing.

(2) Respondent shall cause all documents certified or sealed while his license was expired to be properly recertified and resealed. Respondent shall provide proof of compliance no later than sixty (60) days after the date the Board approves the signed order.

(3) Respondent shall submit the recertified and resealed documents to any governmental body to which the documents were originally submitted. Respondent shall provide proof of compliance no later than sixty (60) days after the date the Board approves the signed order.

**D. Future Compliance.**

Respondent shall in the future adhere to all statutes and administrative rules in the practice of professional engineering.
