

LPA VERIFICATION OF EXPERIENCE:

1. Applicant has had two or more years' actual experience in practice as an accountant as an employee of a certified public accountant, an accounting practitioner, or licensed public accountant.
OR
2. Applicant submits evidence of at least five years continuous experience engaged in performing any of the services delineated in section 542.3, subsection 12, on a full-time basis.
OR
3. Applicant has had at least one year of experience in accounting, compilation, management advisory, financial advisory, tax, or consulting skills (if applicant has graduated from a four year college or university with a major in accounting or has graduated in accountancy from a business or correspondence school).

Note: All experience must be verified by a CPA or LPA with direct supervisory control over the applicant or, if not directly supervised by a CPA or LPA, a CPA or LPA who can otherwise verify the experience.
