### Renewals are Almost Here – Get a head start today!

We have a new licensing system. All applications, including renewals, will be completed online.

Create your online profile in our new system, which we call DataPro.

Go to: [https://iowaplb.force.com/IPLB\\_login](https://iowaplb.force.com/IPLB_login) and click new user to begin.

### Why am I getting this notice?

- You have not created your contact in the new system.
- Your architect license is set to expire on June 30, 2018 and renewals will begin May 16<sup>th</sup>.
- It takes time for the system to merge the information to your newly created profile. Don't run the risk of missing the renewal deadline.
- Licensees are being asked to create their contact in DataPro and update their personal information prior to the renewal period.
