

**193D—2.9 (544B,17A) Reinstatement.**

**2.9(1)** An individual may reinstate a lapsed certificate of licensure to active status as follows:

- a.* Pay the current renewal fee;
- b.* Pay the reinstatement fee of \$100 plus \$25 per month or partial month of expired licensure up to a maximum of \$750. All applicants for reinstatement shall be assessed the \$100 reinstatement fee. The \$25-per-month fee shall not be assessed if the applicant for reinstatement did not, during the period of lapse, engage in any acts or practices for which an active landscape architect license is required in Iowa. Falsely claiming an exemption from the monthly fee is a ground for discipline; in addition, other grounds for discipline may arise from practicing on a lapsed certificate, license or permit to practice;
- c.* Provide a written statement outlining the professional activities that the applicant performed in Iowa during the period of nonlicensure. The statement shall include a list of all projects with which the applicant had involvement and shall explain the service provided by the applicant; and
- d.* Submit documented evidence of completion of continuing education based on the licensee's date of licensure.

(1) A professional landscape architect who holds a license in Iowa for less than 12 months from the date of initial licensure shall not be required to report continuing education on the June 30 renewal on which the applicant failed to renew and 12 continuing education hours for each year or portion of a year of expired licensure up to a maximum of 48 continuing education hours; however, the hours reported shall not have been earned more than four years prior to the date of the application to reinstate to active status.

(2) A professional landscape architect who holds a license in Iowa for more than 12 months, but less than 24 months from the date of initial licensure, shall be required to report 12 contact hours which should have been reported on the June 30 renewal on which the applicant failed to renew and 12 continuing education hours for each year or portion of a year of expired licensure up to a maximum of 48 continuing education hours; however, the hours reported shall not have been earned more than four years prior to the date of the application to reinstate to active status.

(3) A professional landscape architect who holds a license in Iowa for 24 months or more from the date of initial licensure shall be required to report 24 contact hours which should have been reported on the June 30 renewal on which the applicant failed to renew and 12 continuing education hours for each year or portion of a year of expired licensure up to a maximum of 48 continuing education hours; however, the hours reported shall not have been earned more than four years prior to the date of the application to reinstate to active status.

(4) All continuing education hours must be completed in health, safety, and welfare subjects acquired in structured educational activities and be in compliance with requirements in 193D—Chapter 3. The continuing education hours used for reinstatement may not be used again at the next renewal.

(5) Out-of-state residents may submit a statement from their resident state's licensing board as documented evidence of compliance with their resident state's mandatory continuing education requirements during the period of nonlicensure. The statement shall bear the seal of the licensing board. Out-of-state residents whose resident state has no mandatory continuing education shall comply with the documented evidence requirements outlined in this subrule.

**2.9(2)** An individual may reinstate an inactive license or retired license to an active license as follows:

- a.* The individual shall pay the current active licensure fee. If the individual is reinstating to active status at a date that is less than 12 months from the next biennial renewal date, one-half of the current active licensure fee shall be paid.
- b.* The individual shall submit documented evidence of completion of 24 contact hours of continuing education in health, safety, and welfare subjects in compliance with requirements in 193D—Chapter 3. The continuing education hours used for reinstatement to active status may not be used again at the next renewal.
