### News & Updates

#### **Resources Available for Nurses Dealing with Substance Use and/or Mental Health Concerns during the Pandemic**

The Iowa Board of Nursing recognizes that during this time of crisis and world-wide COVID-19 pandemic, licensed professionals may be struggling to live and work each day, particularly those professionals dealing with substance use or mental health concerns. Consistency is a part of recovery and we understand that may be difficult right now. Your health and safety is important to us. We encourage those who are already a part of the Board's

#### **Interesting News**

**Online Resources**

The Iowa Board of Nursing would like to share some of the resources available for nurses needing assistance with recovery and wellness. These resources include online self-help meetings, self-care resources, and/or sessions with providers using telehealth methods. Additional resources are available on the Board website. None of the individual resources listed below are endorsed over any others and are meant as examples only.

**State Resources**
