655 IAC - Chapter 6 - Scope of Practice

The Iowa Board of Nursing published the notice of intended action (ARC 5172C) for the proposed Iowa Administrative Code (IAC), Chapter 6, Scope of Practice rules on September 10, 2020. The public comment period ended September 29, 2020. Written and verbal comments were received. The rules and comments will be placed on the January 2021 Board meeting agenda for discussion and action.

Important Reminders About License Renewals

The most frequently asked question received at the Board office is licensees calling to ask where their license wallet card is after they have renewed.

The answer is: **Wallet cards are no longer issued.**

After you have renewed your license, you will receive an email confirmation about the transaction.

Since 7/1/2019, the renewal process no longer includes sending a wallet card. Licensees and/or employers may now verify a license status through the [IBON Online Services](#) portal, by clicking on the [license verification tab](#). The license number is needed to perform the verification. Once entered, the system will provide a

If you want to have a paper document for your wallet or file, there is an option to print a screen shot of the information, *but the information on the printed copy will not reflect any changes to the license should there be any during your licensure period.*

Another frequently asked question is about licensees who have lost their sign-in information and/or their password for access to the IBON Online Services portal. Board staff does not have access to this information. As such, licensees are highly encouraged to keep their Account ID and password in a secure location between renewals. Call for Workforce Advisory Committee Members

The Iowa Center for Nursing Workforce, a program under the Iowa Board of Nursing, is seeking committee members to replace four members whose terms have ended.

Mission Statement: The Iowa Center for Nursing Workforce exists to support a dynamic, well-prepared and diverse nurse workforce to meet the health and wellness needs of Iowans.

Iowa's nursing workforce center is staffed by an IBON employee. The charge of the advisory committee is as follows:

- 1) Identify the overall strategic direction for the Iowa Center for Nursing Workforce.
- 2) Establish priorities for the Iowa Center for Nursing Workforce.

Advisory members meet three times each year. In-person meetings run from 10 a.m. to 2 p.m. in Des Moines. However, in

Reynolds was continued on October 16, 2020, and runs through November 15th. Click on the emergency proclamation link to see the Board's COVID19 webpage. **The Board strongly encourages licensees to renew on time.**

[Resources Available for Nurses Dealing with Substance Use and/or Mental Health Concerns during the Pandemic](#)

The Iowa Board of Nursing recognizes that during this time of crisis and world-wide COVID-19 pandemic, licensed professionals may be struggling to live and work each day, particularly those professionals dealing with substance use or mental health concerns. Consistency is a part of recovery and we understand that may be difficult right now. Your health and safety is important to us. We encourage those who are already a part of the Board's monitoring program to continue down the path of recovery.

For those who are not part of a program but find yourself struggling, we encourage you to reach out. If you would like to self-report and need assistance with substance use and or mental health concerns, please contact
