IOWA WHOLESALE DISTRIBUTOR RENEWAL APPLICATION INSTRUCTIONS

To be used for license renewal only. Changes to name, address, ownership, and facility manager are not permitted when renewing your license.

Every wholesaler as defined in rule 657—17.3(155A) that engages in wholesale distribution into, out of, or within this state must be licensed by the Board before engaging in wholesale distribution. Where operations are conducted at more than one location by a single wholesale distributor, each such location shall be separately licensed. The applicant shall submit a completed application for each location with a nonrefundable application fee of $750 plus a nonrefundable fee of $45 for completion of a criminal history background check on the facility manager. A Wholesale Distributor license expires annually on December 31.

Only information relating to the applicant-facility should be provided in this application. Do not include information or responses relating to another facility/location.

CONTROLLED SUBSTANCES -- EVERY wholesale distributor that engages in or intends to engage in wholesale distribution of controlled substances into, out of, or within this state must also be registered pursuant to the Iowa Controlled Substances Act (CSA) and 657—Chapter 10 before engaging in wholesale distribution of controlled substances. If you do not currently have a CSA registration and are engaged in wholesale distribution of controlled substances into, out of, or within Iowa, you must apply for registration by checking the box in section 9 of this application and include an additional $90 non-refundable CSA registration application fee for each activity indicated in section 9.

Accreditation Requirement– Applicants must provide evidence of current DPP accreditation by the National Association of Boards of Pharmacy (formally VAWD), QAS accreditation by the National Coalition for Drug Quality and Security (NCDQS), another accreditation body approved by the Board, or compliance with a Board-approved waiver.

*** Instate location ***
The accreditation requirement does not apply to new applicants located in Iowa which must undergo an opening inspection by a Board compliance officer or agent of the Board prior to issuance of an initial license. However, licensees must provide evidence of compliance with the accreditation requirement on or before the initial renewal of the license.

Submit the completed application, including the checklists, all attachments, and a check/money order in the appropriate amount made payable to:

Iowa Board of Pharmacy
400 S.W. 8th St., Ste. E
Des Moines, IA 50309-4688.

Name/Address/Ownership Change and Facility Manager Change – Changes made to the name, ownership, and/or location **cannot** be made on a renewal application and require the submission of a separate completed change application and applicable fee(s). Multiple changes to a license within the same application require only a single fee for the license and each registration. A change of facility manager

cannot be made on a renewal application and requires the submission of a separate completed Facility Manager Change application and applicable fee(s).

FOR ALL APPLICANTS: Board staff will process applications in the order received. A completed application will be reviewed and processed within 10 business days of receipt. The applicant will be notified via email regarding any missing information. An incomplete application for a wholesale distributor license will be maintained for a maximum period of 6 months. Failure to submit all required information within 6 months of submission of the original application will result in the application becoming null and void.

All application fees are non-refundable and non-transferrable.
