

PHARMACY BOARD [657]

Notice of Termination

The Board of Pharmacy hereby terminates the rule making initiated by its Notice of Intended Action published in the Iowa Administrative Bulletin on October 9, 2019, as **ARC 4694C**, proposing to amend Chapter 6, “General Pharmacy Practice,” Iowa Administrative Code.

Legal Authority for Rule Making

This abovementioned rule making is terminated under the authority provided in Iowa Code section 147.76.

Purpose and Summary

The proposed rulemaking would have allowed one pharmacy to provide prescription drug order information to another pharmacy for a non-controlled substance prescription for the purpose of providing a patient with a three-day supply of continuing medication without the process constituting a complete transfer of the entire prescription.

Reason for Termination

The Board received a comment from the public on the rulemaking which sought a change in the language that the Board would like to more thoroughly review which review would extend beyond six months after the rulemaking’s initial publication for notice.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).
