List each rule you are requesting to be waived:	34.5(1) license registration restriction
Describe specifically which requirements you are requesting to be waived	My original license was from state of Florida which I was renewing since 2003 till 2019 and then I decided to let it expired and now I'm looking to move to the state of Iowa and my license in the state of Virginia is active. I'm petition a waiver to still have my license transfer to IA from my VA license although my original FL is not active
Start Date	8 1 2020
End Date	8 1 2021
Have you previously requested a waiver of any of the rules listed above?	No
If so, what was the outcome?	
Explain why following the rule would pose an undue hardship:	Following the rule is very important, I knew that I was not moving back to Florida again so I decided not to renew my license
Explain how waiving the rule may impact other people:	Waiving the rule will defiantly impact my family because my income is our main source and I must continue to work to provide for my kids
Explain how the public health, safety, or welfare can still be protected if the rule is waived:	working as a pharmacist I'm sworn to help protect and provide public health and safety. and by waiving this rule to transfer my license it gives me the opportunity to continue to do that
Have you spoken to a Board compliance officer or other member of Board staff about your request?	No
If so, who?	
Do you plan to attend the Board	No
