

The Drug Enforcement Administration
Omaha Field Division presents

Promethazine with Codeine Abuse -the Pharmacists' Role

Join DEA Special Agent Shawn Quigley for a 30-minute presentation on the increase in prescription fraud for promethazine with codeine and what pharmacists can do to help prevent its abuse.

Participants will learn:

- *The history of promethazine with codeine abuse and the reason behind the increase in demand*
- *How to spot the red flags of prescription fraud*
- *How to properly report fraud to law enforcement*
