

PHARMACY BOARD[657]

Notice of Intended Action

**Proposing rule making related to telepharmacy practice
and providing an opportunity for public comment**

The Board of Pharmacy hereby proposes to amend Chapter 13, “Telepharmacy Practice,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is proposed under the authority provided in Iowa Code sections 155A.13 and 155A.33.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 155A.13 and 155A.33.

Purpose and Summary

These proposed amendments are the result of an overall five-year review of Chapter 13 as required by Iowa Code section 17A.7(2) and comments solicited by the Board from interested stakeholders in advance of the Board’s review. The proposed amendments:

- Reduce the notification period to terminate a written agreement between a managing pharmacy and a telepharmacy site from 90 days to 45 days,
- Authorize the practice of pharmacy support persons (PSP) at a telepharmacy site and establish requirements for PSP registration and training,
- Remove duplicated rules which are required in other Board chapters, and
- Authorize the Board to establish a committee to consider requests for exemption to the technician practice experience requirements in exceptional circumstances that may otherwise result in the closure of the telepharmacy site.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

A minimal increase in PSP positions in telepharmacies may result in any of the 23 licensed telepharmacy locations in the state.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Board for a waiver of the discretionary provisions, if any, pursuant to 657—Chapter 34.
