

Dear Applicant:

Enclosed is an application for obtaining a **Social Gambling** license from the Iowa Department of Inspections & Appeals (DIA). Iowa law prohibits any gambling from occurring prior to having a gambling license in hand. Completed applications including all documents needed to process the application must be received at least 30 days prior to the requested start date.

A **Social Gambling** license allows patrons to socially gamble amongst themselves in the licensed establishment on small stakes card and parlor games (i.e. euchre, hearts, pitch, pinochle, gin rummy, poker, cribbage, pepper, darts, and billiards). Additionally, if the establishment has a beer permit or liquor license then this allows the bar to conduct a sports betting pool. The following activities are **not permissible** under this license: raffles, bingo, poker tournaments, poker runs, roll of the day, bookmaking, or casino-style games other than poker.

INCOMPLETE APPLICATIONS MAY BE RETURNED WITHOUT REVIEW. If the application is returned, please allow for 30 days processing time from the date of resubmission.

Once the application with required documentation is received, the DIA will review the paperwork and if approved a license will be mailed out. ***Please note the license is not valid until received and only valid during the time period mentioned on the license.*** You may call 515-281-6848 or send an e-mail to scg@iowa.gov with any questions.

Applications may also be completed on-line at <https://dia.iowa.gov/scg>
