Registering a Lead Certification Class with AMANDA

September 2017

What is AMANDA

- o Replaces the current reporting system
- o Division-wide platform used to manage all certifications and licenses issued/regulated by the ADPER-EH Division
 - o Individuals
 - o Facilities
- o Common log-in, profiles, and pages

Before you can “open” your Training Program’s AMANDA page you must be registered with AMANDA through your individual profile and be “linked” to the Training Program

If you or authorized staff do not have an Iowa Lead professional certification, but will be maintaining an Iowa Lead Certification Training Program's AMANDA page, you or they will need to create an individual A&A log in (user id & password) and an AMANDA profile page before you or they can be "linked" to the Training Program's page

How to get to AMANDA

- Link from the IDPH Regulatory Programs Lead Certification webpage:

- <https://idph.iowa.gov/regulatory-programs/lead>

- Directly at:

- <https://dphregprograms.iowa.gov/PublicPortal/Iowa/IDPH/common/index.jsp>
