To resubmit a rejected filing, click the 1-time-use Resubmit Button to be directed to the Add-a-document page where edits/changes may be made.

Clicking **Resubmit** will cause the eFlex system to clone the information in the rejected submission for use in a new submission and will route the user to the Add-a-Document page so the corrections can be made. The user **MUST** continue through the new case or existing case submission process until the message that the filing has been submitted to the court is received.

- Upon clicking **Resubmit**, the **Rejected** status will switch to **Resubmitted** to indicate the submission was cloned. The button will then disappear. If the filing is not submitted to the court when the button is activated, it will be stored in the **Draft Filings**.

RETRIEVING NOTIFICATIONS

Notifications are the official court communication regarding eFiling activity on a case. To obtain the *official* notification, the user must login to the eFiling system. The user may also get *unofficial*, courtesy emails regarding efilings to the user's case.

During the transition period from paper-filing to electronic filing, it is possible that not all of an attorney's current cases will populate the **Cases Page**. Filing a **Notice of Appearance** on these cases may be advised. This is a similar process to the above listed steps:

- 1) On the **Home page**, click to file to an **EXISTING CASE**.

- 2) On the **Search Cases page**, enter the case number in the provided field and click **eFile**.

- 3) On the **Add-a-Document Page**, select **Notice of Appearance** and then click **ADD**. The **Choose File** button will be grayed out and inaccessible to click because it is not necessary to upload a document for this document type.

- 4) The next screen asks the attorney to mark the box next to the party they are representing. Click Next.

5) The screen displays the document that will be efiled. Click the **Next** button.

The screenshot shows a document review interface. At the top, it displays 'Case Number : 19T700013.02' and 'Case Title : CASSIDY V. DOLLAR GENERAL OF DES MOINES'. Below this, 'Case Type : Judicial Claim (Form 100)' is shown. There are several input fields: 'Document Category', 'Document Type *', 'Additional Text', 'Sealed' and 'Cor' checkboxes, 'Acceptable File Format', 'Document Location' (with a 'Choose File' button and 'No file chosen' text), and 'Add to Submission' (with an 'Add' button). A table lists the document 'Notice of Appearance' with columns for 'View Document', 'Edit Data', 'Size' (0.0 MB), and 'Remove'. At the bottom, there are buttons for 'Back', 'Move to Draft', and 'Next'. Three red callout boxes with arrows point to specific elements: one points to the 'Notice of Appearance' row with the text 'The Notice of Appearance displays as the document to be filed.', another points to the 'Edit Data' button with the text 'To view and/or edit the information, click the edit icon.', and a third points to the 'Next' button with the text 'Click Next.'

6) This brings the filer to the **Review & Submit Filing** page where the **Submit the Filing** button is clicked to complete the submission.

The screenshot shows the 'Review and Submit Filing' page. It displays the same case information as the previous screen: '19T700013.02 Case Title : CASSIDY V. DOLLAR GENERAL OF DES MOINES' and 'Case Type : Judicial Claim (Form 100)'. There is a 'Client #' field. Below that, it says 'You represent the following:' followed by 'SENTRY INSURANCE' and a 'Change Representation' button. Under 'Document(s) to be Submitted:', there is an 'Add/Remove Documents' button and a table with 'Document Name' and 'View Document' columns, showing 'Notice of Appearance'. A 'Special Filing Instructions for the Clerk:' text area is present. At the bottom, there are buttons for 'Back', 'Cancel (Delete)', 'Move to Draft', and 'Submit the Filing'. A red callout box with an arrow points to the 'Submit the Filing' button with the text 'Click to submit filing.'

PAYING FOR FILING FEES

In the beginning stages of the Go-Live eFiling process, filing fees will be paid directly to the court by check. Very soon, the process of paying through the Filer’s Interface will be implemented. At that point, the filer, after completing their submission on the **Review and Submit Filing page**, will be directed to the Payment Vendor’s site. Information will be provided when this functionality is activated.

SCHEDULING A HEARING

- Hearings can only be scheduled on existing cases.

- When scheduling a hearing in **Des Moines**, there is one morning time slot and one afternoon time slot available each day Monday – Friday. These are called *Primary Hearings*. They can be scheduled as early as 2 weeks out.
- All other locations are referred to as *Remote Venues* by the system. They do not have regularly occurring weeks nor time slots available for scheduling. On the weeks when there is a Deputy scheduled to be in the Remote Venue, there is one afternoon time slot on Monday, both a morning slot and an afternoon slot on Tuesday, Wednesday, and Thursday, and one morning slot on Friday. To accommodate scheduling this, there are *Primary Hearings* and *Secondary Hearings*. *Secondary Hearings* are viewed as “waiting spots,” in the event that a *Primary spot* during the day becomes available.
- *Secondary Hearings* must be scheduled first, and then a *Primary Hearing* may be scheduled. (Scheduling a *Primary* is optional. If a *Primary* is desired, the *Primary* request must be made in the same submission as the *Secondary* request.) *Secondary Hearings* can be scheduled as early as 2 weeks out; *Primary Hearings* default to a minimum of 60 days out from the day of the requested *start date*.

1. On the **Home Page**, click the **Existing Claim** button.

2. On the **Cases Page**, enter the case number in the provided field and click the **Schedule Hearing** button. Alternately, find the case listed below in the Cases table and click the **hyperlink Schedule Hearing** on the line of the intended case.

3. On the **Schedule a Hearing Page**, click the down-arrow in the **Hearing Venue** field to select the desired Venue location.

5. Click the **Search button**. This will populate the bottom portion of the screen with available time slots.
 - Time slots shown for **Des Moines** will be for *Primary Hearings*.
 - Time slots shown for **Remote Venues** will display as *Secondary and Primary Hearings*. Because a *Secondary Hearing* must be chosen first, the radio buttons for *Primary Hearing* spots will not display until after the *Secondary Hearing* has been selected.
6. Click the radio button for the desired time slot(s).
 - Because *Secondary Hearings* are "waiting spots," if **slot 1** has already been taken, the radio button selection will say **slot 2, slot 3, or slot 4**, as applicable. (There are 2 secondary spots available on Monday and Friday, and 4 spots available on Tuesday, Wednesday, and Thursday.)
 - The *Primary Hearing* date defaults to 60 days out from the requested *Secondary Hearing*. To change the day, click the date within the date field and a pop-up calendar will allow another date to be selected. Click **Search** for available time slots. The buttons **Next** and **Previous** may also be used.
 - Selecting a *Primary Hearing* is not required, but once approved, it is a confirmed, firm date.
 - **NOTE:** Be aware that even though a time slot may display as available at the time of scheduling, this status may unpredictably change if a prior hearing request submitted by another filer gets approved first. In these instances, the clerk will send a "rejected" notification with instructions to the filer that a new date/time must be selected and submitted.
7. Click the **Schedule button** to move forward.
8. On the new page, the **Request Hearing Date** displays as the document that will be submitted to the court. To make changes to your selection, click the **icon** in the **Edit Data column** to be directed back to the previous page for changes. Otherwise, click **Next** to continue.
9. On the **Review and Submit Filing page**, click the **Submit the Filing button** at the bottom of the page.

Q&A

[Why was I logged out of the system?](#)

When working inside the Filer's Interface, be aware that the system will automatically log you out should there be 30 minutes of inactivity. If you plan to step away from your computer and don't want to lose any data that has been entered, click on the **Move to Draft** button found at the bottom of the **Add-a-Document Page** and the **Review and Submit Filing page**.

[How do I continue with a filing that has been moved to Draft?](#)

When ready to complete a Draft filing, hover over the **eFile tab** at the top of the screen and select **Draft Filings** from the drop-down list, **OR**, click on the **Draft Filings** button on the Home page. Locate the needed draft and click on the **hyperlink description** to be directed to the **Add-a-Document page** where the **Next** button is clicked to be returned to the **Review and Submit Filing page**.

[For easier searching, are any of the case tables within the eFiling system sortable?](#)

There are **Case Tables** found on each of the following pages: **Cases page**, **Draft Filings page**, **My Filings page**, **Notifications page** and **Filing Charges page**. The first four pages are found under their corresponding buttons on the **Home Page**, whereas the last one listed is found under the **Cases Tab**. Each column header has an ascending/descending order **sort feature** by clicking on its **Title** and controlling the listings with the **up/down arrow**. Click on the **column heading** of the column you wish to sort. The **up/down arrow** will transfer to that column to allow for the desired sorting.

[How do I bring up the Case History Page for any of my cases?](#)

On the **Home page**, click on the **Existing Cases** button. In the Cases table, click on the **hyperlink case number** in the **Case Number** column and a new browser tab will open up and display the **Case History page**.

[Why can't I edit the organization listed on My Profile Page?](#)

To edit your profile, hover over the **My Profile Tab** at the top of the screen and select **My Profile**. This directs you to the **User Profile page**. At the bottom of the page click the button **Modify User Profile**. This opens the page where edits may be made on any of the text boxes. The *role, user name, organization, bar number, and company address* cannot be edited by the user and requires a call to the Support Number for an administrator to make those changes.

[How do I eFile as a claim representative?](#)

Follow the instructions for requesting an eFiling account and select the role of **Claim Representative**. In this role you will have limited permissions. You will have the ability to file **Medical Reports** and **Settlement Documents**, but you will not have access to the case information since you are not a party on the case.
