

Boiler & Pressure Vessel Inspection Bureau 6200 Park Ave., Suite 100 Des Moines, IA, 50321

Advance Notice to Convert Power Boiler to Low Pressure Boiler

Instructions:

Signature

- The converted Boiler must pass inspection prior to operation.
- If the boiler is covered by and insurance provider that performs the lowa Code mandates inspections, they must be notified of this conversion prior to it being performed.
- This form must be completed and submitted to the Boiler and Pressure Vessel Inspection Bureau at least 10 days prior to the conversion being performed.
- The boiler must comply with all requirements of ASME CSD-1.
- A CSD-1 report must be completed by the contractor performing the conversion and be maintained on site.
